OFFICE OF PETITIONS

In re Application of
GLOVER, ET AL.
Application No. 09/470,997
Filed: December 23, 1999
Attorney Docket No. GLOV3002/REF

ON PETITION

This is a decision on the **renewed** petition under the unintentional provisions of 37 CFR 1.137(b), filed April 24, 2006, to revive the above-identified application.

The petition is **DISMISSED**.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** a final agency action within the meaning of 5 U.S.C. § 704.

The application became abandoned for failure to reply in a timely manner to the Notice to Comply with Requirements for Patent Applications Containing Nucleotide Sequence and/or Amino Acid Sequence Disclosures (Notice), mailed April 8, 2002. The Notice set a period for reply of two (2) months from the mail date of the Notice. No extensions of time under the provisions of 37 CFR 1.136(a) were obtained. Accordingly, the application became abandoned on June 9, 2002.

A grantable petition under 37 CFR 1.137(b) must be accompanied by: (1) the required reply, unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(d). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Director may require additional information. See MPEP 711.03(c)(III)(C) and (D). **The instant petition lacks item(s) (1).**

The reply filed with the petition is not fully responsive to the outstanding requirement. In the instant case, the sequence listing filed is not in compliance. See attached "Raw Sequence Listing Error Report." Petitioner must submit a proper response upon the filing of a renewed petition.

Further correspondence with respect to this matter should be addressed as follows:
